

## Feedback on NHS funded care is focus of new report

The experiences of people who have applied for NHS continuing healthcare (CHC), a package of care for adults with significant needs, is the focus of a new report from Healthwatch Wiltshire.

Applying for CHC, which is arranged and funded by the NHS, involves a person being assessed for their eligibility on factors such as their breathing, mobility, nutrition and psychological needs.

**Our report** reveals that people prepare carefully for the CHC assessment but don't always receive key information before they start, and find the process complicated and challenging.
