

February 2019

Welcome to our new Board!

We have appointed a new Board to help prioritise the health and social care issues that are most important to the people of Wiltshire.

The [Local Leadership Board](#) will be the driving force behind Healthwatch Wiltshire's commitment to ensure the voices of children, young people and adults are heard by those who run, plan and regulate health and social care services in the county.

The new Board is made up of Rob Jefferson, Hazel Dunnett, David Line, Irene Kohler and Andy Mintram. They will be joined by Emma Leatherbarrow, Director of Partnerships at [Help and Care](#), Healthwatch Wiltshire's provider. Find out who's who on our [website](#).

Apply for cash to launch your community project

We've launched a [Community Cash Fund](#) to help local health and wellbeing projects get off the ground.

The scheme will help us gather more feedback on health and social care services from people we might not otherwise hear from.

You will be able to apply for up to £2,000 to start up a project in your community. Find out more on our [website](#).
