Share your views to help shape the future of Wiltshire's equipment service

We're [working with Medequip](#) to find out what people think of the county's Community Equipment Service - what's working well for you and where you think improvements could be made.

You can [share your feedback online](#) or call us on 01225 434218 to complete our survey over the phone or to ask for a paper copy to be sent to you.

Anyone who gives their views is welcome to join an online forum to help shape the way the equipment service is developed.

Young people asked for views on LGBTQ+ support

We're asking anyone aged 11-25 who identifies as Lesbian, Gay, Bisexual, Transgender, or who is questioning their sexual or gender identity, to share their experiences of support they've received and what they would like to see in their school, college, workplace or community.

All feedback is anonymous and confidential.

Share your experience

Are you or a loved one waiting for hospital care?

Millions of people have had their treatment delayed by the Covid-19 pandemic - are you one of them? We want to know if you're getting the advice, information and support you need while you wait.

Find out more on our website and share your views to help people waiting for care.
