

The Campervan &

Comments Tour 2017

Talk to us about your experiences of health care in Wiltshire (and enjoy a **free cupcake** too!)

- We aim to speak to at least 1000 people from all corners of the county in just two weeks.
- Our roadshow will travel almost 400 miles zig zagging around Wiltshire - that's the equivalent of driving from Pewsey to Paris!

Wiltshire

Coming to a village, town
or city near you soon...

Carry on commenting

Healthwatch Wiltshire is the county's independent health and care champion. We take your ideas and experiences of local health and care services to the decision-making organisations, so together we can make a difference.

We do this because we are passionate about having a health and care service in Wiltshire which is shaped by the people who use it, one which works for everyone.

As part of our roadshow, we aim to speak to as many residents in Wiltshire as we can, young and old and all those in between! Our campervan will take our staff and volunteers to meet people around all four corners of this huge county to make sure your voice is heard.

We'll collate all the information and if we spot a common theme this will be presented to those bodies which can make the changes.
